by Government Order No 6848-889.L
680 dated 6th March 1901, so as to exclude
all applications even of a special
character, but, if any latitude be
permissible, I beg to support the
present application which is tho-
-roughly "bona fide". The applicant
has purchased building sites Nos
183 and 185 in Basavangudi Extension
and there can be no doubt
that the circumstances of his case
are very much the same as those
which called into existence the
Government Order of 28th November
1898 above quoted, plague still
being prevalent.

3 The applicant has never
had a previous advance and
it may be observed that having
only recently been transferred
to Bangalore Head Quarters
was not in his power to have
applied earlier

Respected Sir

Having had to experience a great deal of difficulty and inconvenience to secure a suitable accommodation in the city of Bangalore for myself and my large family and, in consequence, having felt the absolute necessity of building a house, for which purpose I have purchased the building sites Nos 183-185 in the Basavangudi extension, I respectfully beg to submit this my application for the grant of an advance of one year's pay (at Rs 175/- per mensem) as a special concession shown to several officials of the State (Vide G.O. No 3528-562 F.L: 365 dated 28th November 1898) and to request that the same may be forwarded with your kind

, support for the favourable consideration
of Government.

2. I beg further to bring to notice
that the small house which I own is located
in the midst of the mostly infected part
of Chikpetta of the old city of Bangalore,
and is, under the present condition un-
inhabitable for any purpose so much so
that I have - unavoidably had to put up
in a highly rented house in the Cham-
rajendrapett Extension; hence this
application which I request may kindly
be forwarded with your support

I beg also to state that I have
insured my life in the State Life Insurance
Office.

I beg to remain

Respected Sir
